

JAMES CARTER

Maintenance Operations Supervisor

(555) 014-2876

Jacksonville, North Carolina

james.carter@example.com

PROFILE

Dedicated military professional with nearly eight years of experience supporting maintenance operations, personnel readiness, and equipment accountability. Known for reliability, discipline, and strong leadership. Planned and carried out operations and training, consistently meeting deadlines and standards. Experienced in supervising personnel, managing competing priorities, and ensuring work is completed safely and efficiently.

PROFESSIONAL EXPERIENCE

Maintenance Control Supervisor

Jun 2021 - May 2025

United States Marine Corps - Camp Lejeune, North Carolina

- Coordinated daily maintenance priorities for 12 tactical vehicles and led 18 Marines across two shifts.
- Managed inspections, repair schedules, work orders, parts requests, and equipment-readiness reports.
- Ensured maintenance activities were completed safely, accurately, and on time.
- Trained junior Marines and provided guidance on proper maintenance procedures.
- Worked with leadership to resolve equipment problems and support mission requirements.
- Completed an overseas deployment and earned recognition for leadership and dependability.

Maintenance Management Specialist

Aug 2017 - Jun 2021

United States Marine Corps - Camp Pendleton, California | Promoted through junior enlisted ranks to Corporal

- Maintained records for more than 60 vehicles and pieces of support equipment.
- Monitored work orders and helped ensure equipment remained mission capable.
- Performed quality-control checks and reported maintenance concerns to supervisors.
- Assisted with inventory counts, tool accountability, and replacement-parts requests.
- Supported field exercises and other unit operations as required.
